Dear Caring Friend,

Your generosity to the Wounded Warrior Project – expressed through your recent gift of \$ [redacted] on 11/14/2009 – speaks worlds about your concern for the young men and women who stand on the frontiers of freedom in our world today. They placed their lives on the line. Tens of thousands have been wounded in action, while many more were injured or became ill in the extreme and hazardous conditions of the wars without fronts.

What can I say to thank you for your loyalty to these men and women? How can I ever express my gratitude for your partnership in the great cause of the Wounded Warrior Project? Obviously words can never measure my deep appreciation.

Thank you again for your continued support.

Bringing Hope to Heroes,
