Amy Amy

Dear Ms. Amy

The *Teamster Horsemen Motorcycle Association* and the *Marine Corps Coordinating Council* would like to thank you for your generous gift of ride bags & "swag" items. All proceeds that day from registration fees, and 50/50 drawings went directly to the *Marine Corps Coordinating Council*. This would not have been possible without your generous donation.

The third Annual *Teamster Horsemen* Charity Run was enjoyed by many people. We even had many of the recipients of the charity run, the *Marine Corps Reserves* and their families, enjoying the day with us. We hope you will consider donating to our cause in the future, because without generous people like yourself, this event could not have been as successful!

Again, thank you for your donation, and support. You've been a big part of our success.
