Dear Gentlemen,

On behalf of the Board of Directors of the Heart Of A Marine Foundation, please accept our sincere appreciation for your donation of Your support of the Foundation and the Military Heroes it serves is a blessing beyond words.

The Foundation continues to fulfill its Mission Statement to help and support our Military Heroes in many ways. Be it through our cane project at Walter Reed; Brook Army Medical; Balboa; and now directly serving Hines V A; or our Aphasia Software Program for Traumatic Brain Injury rehabilitation at: Minneapolis VA; McGuire Medical Center; Palo Alto VA; The James Haley Hospital in Tampa; San Antonio VA; Washington DC VA; Houston VA; Baltimore VA; Oklahoma VA; the Thomas Jerome House; Puget Sound VA; as well as locally Hines VA; James Lovell Chicago VA; Mid West Brain Injury Clubhouse; and Alexian Brothers Veterans Program; support of Bravehearts Equine Therapy Program for Veterans, financial support of Military Families through Salute Inc; assistance through donations to Illinois VA unemployment to help veterans secure jobs; clothing, mattresses and appliances to the Eddy Beard Transitional Home in Chicago; or package projects for our Military Heroes overseas; you can be proud that this donation will enable, in part, all of these programs to continue.

Once again, our sincerest thanks for your support of the Foundation and its goals.
